SUBJECT: IEEE Admission and Advancement Committee Report

After the January A&A Conference call, an email ballot was conducted to elect a vice-chair. Howard Wolfman (Region 4) was elected 2018 A&A vice-chair.

The A&A Committee continues to make great progress in achieving the 2018 Senior Member elevation goals. Region 10 leads the regions with 48% goal attainment after 2 panels, followed by Region 8 and 2 at 45%. The 9 committee members continue to support our engagement with members.

Committee Activities/Goals:

- ▶ Rewriting the existing Senior Member online application
- ▶ Project being developed in multiple phases
 - Testing & Requirements currently underway
- ▶ New Online Review process for panel meetings
 - All digital, no paper.
- ▶ Opportunities:
 - Will allow for easier off-cycle reviews, quicker turnaround for resubmits.
 - Will allow A&A Committee to focus on more ways to promote Senior Membership.
 - Work with Membership Development to increase volumes of SM applications.
